I explained the meeting agenda to everyone.

First, I explained about MyGate to everyone.

Then I explained the About security service upgrade and the expenses for it to the members.

Then I explained the security protocol to everyone. I made changes in the protocol depending on the feedback received, then shared it to the association members whatsapp group.

Then, everyone discussed how to collect maintenance fees. Some of the members volunteered to collect the maintenance fees. Mr. Bala volunteered to work with me to collect maintenance fees from the defaulters.

Then, everyone discussed how to solve the electricity power fluctuation problem. Mr. Basker Natrajan gave the feedback that the time taken to solve this problem was long.

Explained about the garbage maintenance. Mr. Baskar gave some suggestions to improve the service.

Mr. Bala and Mr. Basker Natrajan asked about the current status of the garbage collection process. I explained that due to current covid situations, this work is taking a little longer than expected

Then we Spoke about the idea of placing recycling and non recycling garbage collection boxes in front of the main gate and street corners

Then I explained about the need to appoint lady workers for cleaning main roads and street roads.

Then everyone discussed work assignments, working hours of the association members, and help provided for me.

Then I presented the issue of GOATS and JCB parked in the front gate. Mr. Anbu committed to solve this issue.

Then everyone discussed collecting funds for covid situations and giving it to CM's covid relief group. Doing this will help us in the long term. I posted about this in the whatsapp group.
